in the NEWS :

On 11th, two Ukrainian minesweepers arrived at Portsmouth from Rosyth. These are the ***Cherkasy M310*** and ***Chernihiv M311***, formerly ***HMS Shoreham*** and ***HMS Grimsby***. They will be continuing crew training for some time whilst based at Portsmouth.

St. Faith was at 20 berth from 2nd until 8th when she returned to Portsmouth. ***Svitzer Eston*** left on 13th for Dunkerque, for dry-docking and was still there at the months end.

On 5th ***Britannia*** sailed for Rotterdam for a two week refit at the Damen Verolme Drydock.

CMA CGM Louis Bleriot arrived on 10th sporting a large blue bow visor - seems the trend these day, led by ONE but quickly followed by others.

Shieldhall left for Falmouth on 18th for her annual survey returning on 25th.

It has been reported that Whitaker Tankers, formed as a family business in Hull some 144 years ago, has been sold to Lindsay Blee, a company established in Henley on Thames 1959 and trading as marine fuel specialists.

On Sunday 28th at around 05.00hrs a fire started in hold #5 of the ***Clipper Kythira***, loading scrap at 109 berth. The hatch cover was closed and the local fire brigade began cooling operation which were discontinued when the temperature stabilised at around 08.45 hrs. They remained on scene for some time to monitor the situation. A similar situation happened on ***Nord Baltic*** in late January 2022.

On 30th, Cunard's new ***Queen Anne*** arrived from her builders Fincantieri in Venice having been handed over to her owners in a ceremony on 19th April. She will leave Southampton on May 3rd for a shake-down cruise before returning on 10th to make a Canary Isles voyage. On 24th she leaves Southampton for a British Isles Festival Voyage which will include her official naming ceremony in Liverpool on June 3rd.

significant arrivals during April

Getting to be a regular occurrence, a third crude oil tanker, the 316,373 dwt ***Gulf Loyalty***, arrived at 101 berth on 3rd, before heading for Falmouth anchorage on 8th. Along the coast at Portsmouth, a new expedition cruise ship, ***Ocean Albatros*** 23/8,181 made two calls on 26th and 28th and ***Viking Saturn*** made a maiden call on 11th. The latest Wallenius-Wilhelmsen transfer to their US operation ***Tulane***, made her first call as ***ARC Honor*** on 10th.

For those more interested in older tonnage, the veteran 31 year old *MSC Mandy III*, built as *Bremen Senator* made a first call on 29th.

in May, WATCH OUT for :

Very quiet on the Container front during May, Just *Delphinus C* ex *NYK Delphinus* - 23 [AL5] making a second visit on 6th and *Cautin* 14/93,685 (Hapag-Lloyd/CSAV) making an 'ad hoc' call on 11th. Cruise ships are appearing in ever increasing numbers, but generally the mix is 'as before'. *Queen Anne* returns on 10th and 24th with *Silver Dawn* arriving on 14th and 24th.
