in the NEWS :

Rolldock Storm arrived at 106/7 berth on 1st from Mina Sulman in Bahrain with **HMS Chiddingfold M.37** in her hold. She was damaged in an allision with **HMS Bangor M.109** in Bahrain on 19th January. Portsmouth tugs **SD Bountiful** and **SD Suzanne** arrived from Portsmouth on 5th to tow the minesweeper back to her base.

Protug 87 arrived at Portsmouth from Brest on 2nd. She left the following day with the former **HMS Monmouth F235** in tow with a projected 3 week journey to Aliaga ahead of her.

CMA CGM Pelleas briefly grounded off SCT1 whilst leaving port.

DFDS services from Portsmouth to Jersey have been augmented by **Arrow** and **Cote d'Albatre**

Normandie bowed out after 33 years on the Portsmouth – Caen run arriving back for a final time at PIP on 19th and has been replaced by the new E-flexer **Guillaume de Normandie**. She will be renamed **Massalia** and will operate on a service from Marseille to Tanger. A ferry that was well designed, well built and well operated. Although her replacement has all the modern bells and whistles to provide eco-friendliness in port she is still just one of a large series of vessels and will never gain the same affection afforded the stately **Normandie**.

The hsc **Purus Redcar** arrived from Antalya on board **Deo Volente** at 25 berth on 25th and moved to Saxon Wharf.

significant arrivals during April

Too many new box boats to detail, but nice to see **Rotterdam** making a maiden visit and the influx of LNG powered car carriers, although deliveries to USA were well down.

in May, WATCH OUT for :

Another month of surprise box boat callers....
